Comments: 12/06/2024: Hi Hotel Partners, I am sourcing this lead out again as NCTE's leadership wants to see how they can make this work in Philadelphia. They met at this year's conference and we are their top choice! Our bid was not strong because we could not offer 2,200 peak rooms with less than 6 Hotels. If we can put together a solid package, this has the potential to sign by end of year, so let's book this one! What I need from each of you is to PLEASE RESPOND ASAP with your max block offer. The Philadelphia Marriott Downtown has an in-house program, so they are only able to offer a very small room block if any rooms at all. This means it's going to take more hotels to reach 2,200 peak. We have to offer MAX blocks to reduce the number of hotels needed. In your response, please offer rates competitively. In Boston (2024), they paid rates from \$175 for students and low to mid \$200s for regular attendees. They will sign for 70% attrition. Rates need to include a \$10 rebate, 7-10% commission, and a \$25 housing fee. I know this is a lot to ask, but keep in mind this is THE WEEK BEFORE THANKSGIVING! You can't come in with rates in the upper \$200s and over \$300. It will not win the business. Please reach out to Natasha (Natasha@discoverphl.com) if you have any questions. Thank you in advance for all your due diligence to put in your offer.
